Your homework assignment is to read a minimum of *30 minutes a day, four days each week*. Upon completing your reading, you are to record the required information and write four or five sentences about what you have read. These may be observations about a character, a comment on plot development, a prediction, or an interesting fact you learned from reading. You may also make a connection to yourself, another book, or your world.

This reading *log is always due on Friday or the last day of each week*. You may choose to read books, magazine articles, newspaper articles, and even assigned reading from class. Books read with family members are acceptable too. (Comic books and catalogs are **NOT** acceptable) Minutes read will be applied to your team's weekly points.
